# Refinish and renew laminate surfaces in just one step!

It's easy to make outdated, worn countertops look and feel like new. With Rust-Oleum Countertop Coating you can update your countertops and get similar performance characteristics to manufactured laminate surfaces.

## Great for:

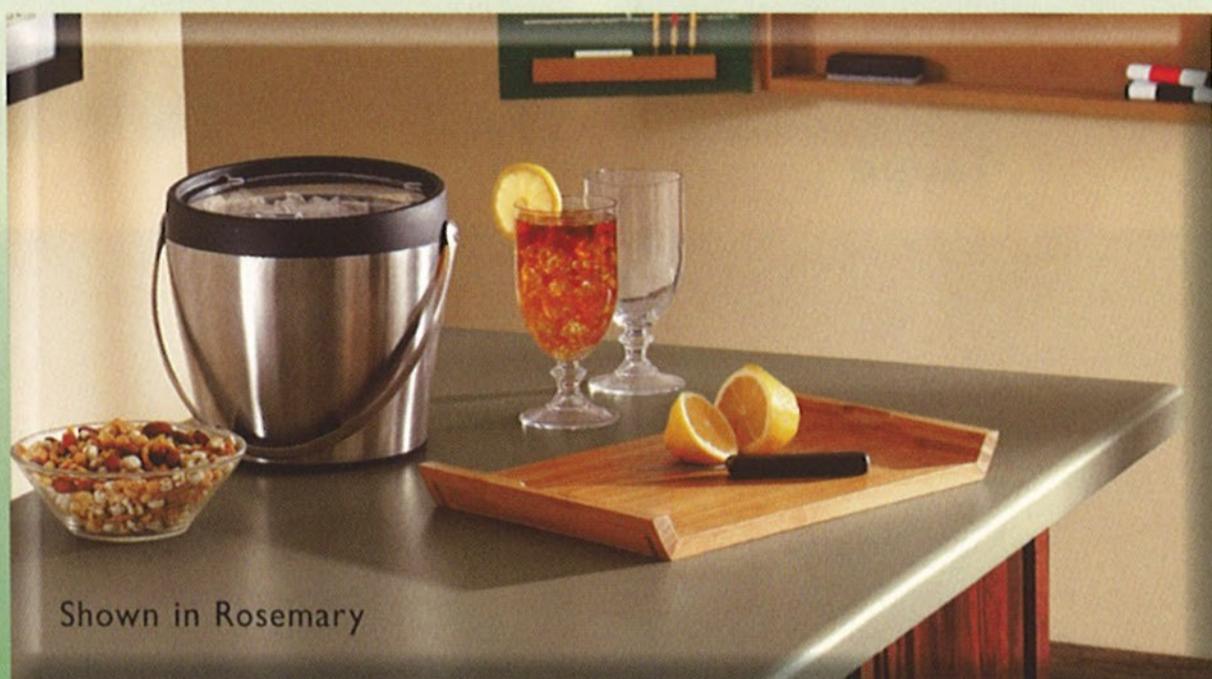

---

- Kitchens
- Bathrooms
- Home Offices
- Work Rooms
- Recreation Rooms
- Laminate Furniture

*This coating contains antimicrobial protection that will protect the painted surface by inhibiting the growth of mold and mildew and other odor or stain causing microbes.*

# Easy to Apply... Amazing Results!

Colors shown on this printed piece may vary slightly from actual product due to aging, lighting, and printing processes.
