

CLEANS WHAT ORDINARY CLEANERS SIMPLY CAN'T!

No other single product removes really tough soils as quickly and effectively from so many different surfaces.

CONTAINS: A proprietary blend of biodegradable surfactants, detergents, and emulsifiers, in a water-based solution. No petroleum solvents, bleach or ammonia.

COLOUR FAST • FABRIC SAFE • LEAVES NO RESIDUE

DIRECTIONS: Always test on an inconspicuous area first. Apply directly on surface to be cleaned, and allow to penetrate briefly. Wipe off with a clean cloth or towel. For older, more difficult jobs apply a generous amount of cleaner and allow to stand for a few minutes before wiping dry. For extremely tough jobs, such as the removal of old, dried latex paint, scrub with a brush or scouring pad, and wash off with a wet rag. For engine cleaning, use on a cold dry engine. Do NOT use on varnished surfaces or leather. When used in a food processing facility, rinse with potable water after use.

CONCENTRATED COMMERCIAL STRENGTH FORMULA SAFELY & EASILY REMOVES

- | | | | |
|-----------------------|-------------------|------------------|-----------------|
| • Food & Drink Stains | • Bird Droppings | • Brake Dust | • Sun Tan Oil |
