DIRECTIONS: Always test on an inconspicuous area first. Apply directly on area to be cleaned, and allow to penetrate briefly. Wipe off with a clean cloth or towel. For older, more difficult jobs, apply a generous amount of remover and allow to stand for a few minutes before wiping dry. For extremely tough jobs, such as removal of old, dried latex paint, scrub with a brush or scouring pad and wash off with a wet rag. Dilute with water for mild clean up. When used in a food processing facility, rinse with potable water after use.

CAUTION

KEEP OUT OF REACH OF CHILDREN

DO NOT SWALLOW

SAFETY DIRECTIONS: Avoid contact with eyes. Avoid contact with skin. Wash hands after use.

WARNING STATEMENTS: Eye and skin irritant.

FIRST AID INSTRUCTIONS

IF SWALLOWED: Call a POISON CENTRE (Phone: **AUS** 13 11 26; **NZ** 0800 764 766; **SA** 086 155 5777) or doctor at once. Drink large amounts of water. Do NOT induce vomiting. Take off contaminated clothing and wash before reuse. **IF IN EYES OR ON SKIN:** If in eyes, hold eyelids apart and flush the eye continuously with running water. Continue flushing until advised to stop by a Poisons Information Centre or a doctor, or for at least 15 minutes. If skin or hair contact occurs, remove contaminated clothing and flush skin and hair with running water. If irritation persists, seek medical attention.

For further information refer to the Safety Data Sheet or for ingredients disclosure, both are available at www.rustoleum.com.au or www.rustoleum.co.nz or www.rustoleum.co.za
