FLAMMABLE

DO NOT SWALLOW

SAFETY DIRECTIONS: If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Keep away from heat, sparks and open flames. - No smoking. Do not breathe vapours. Use personal protective equipment as required. Take precautionary measures against static discharge.

WARNING STATEMENTS: Flammable liquid and vapour. May cause an allergic skin reaction. Suspected of causing cancer. May cause drowsiness or dizziness. May cause damage to organs through prolonged or repeated exposure. May be fatal if liquid is swallowed and enters airways. Repeated exposure may cause skin dryness and cracking.

FIRST AID INSTRUCTIONS

IF exposed or concerned: Get medical advice. IF SWALLOWED: Immediately call a POISON CENTRE (Phone: AUS 13 11 26; NZ 0800 764 766) or doctor. Do NOT induce vomiting. IN CASE OF FIRE: Use alcohol resistant foam or normal protein foam for extinction. IF ON SKIN (or hair): Immediately remove all contaminated clothing. Rinse skin (or hair) with water. Wash contaminated clothing before reuse. IF INHALED: Remove affected person to fresh air and keep at rest in a position comfortable for breathing.

STORAGE: Store in a well-ventilated place. Keep cool. Store locked up.

DISPOSAL: Dispose of contents/container in accordance with local regulations. Rags, steel wool or waste soaked with Zinsser Wipe-on Poly may spontaneously catch fire if improperly discarded. Immediately after each use, place rags, steel wool or waste in a sealed water-filled metal container. For disposal of rags and unused amounts of product contact your local or state government environmental control agency

For further information refer to the Safety Data Sheet available at www.rustoleum.com.au or www.rustoleum.co.nz.

Zinsser® Wipe-On Poly provides the protection of a polyurethane finish that is easily hand-applied to wood. Wipe on with a clean cloth to achieve a smooth even finish with no brush marks. Zinsser Wipe-On Poly provides a clear finish, resistant to water and general household stains. It is ideal for interior furniture including detailed and intricate wood items. Zinsser Wipe-On Poly protects wood surfaces that have been finished with Zinsser® Danish Oil or any Zinsser® Wood Stains.

READ ALL DIRECTIONS BEFORE BEGINNING PROJECT.

RECOMMENDED FOR: Interior furniture and intricate wood items. Can be applied to stained, painted, or bare interior wood surfaces.

NOT RECOMMENDED FOR: Floors or exterior surfaces.

PREPARATION: For best adhesion, surfaces must be clean, dry and free of wax, grease, oil, shellac, lacquer, mildew, stearates and polishes. Remove wax with a wax stripper, shellac with a paint stripper, and mildew with a solution of 10% household bleach and tap water. Sand to obtain a smooth surface. Remove all dust.

APPLICATION: Allow any previously applied oil or stain on wood surface to dry 72 hours before applying Zinsser Wipe-On Poly. Mix container thoroughly. DO NOT SHAKE CONTAINER. Apply a coat using a clean, lint free cloth.

RECOAT & TOP COAT: Allow to dry for 4 hours. Apply the second coat. Repeat. Three coats are recommended for best protection of your wood item. Before applying the final coat, sand surface lightly in the direction of the wood grain using 220-grit sandpaper.

APPLICATION TIPS: If applying over white or pastel paints or stains, test in an inconspicuous area as yellowing may occur.

CLEAN UP: For fast, easy clean-up, use paint thinner or mineral turps.

COVERAGE: 5 to 9 m² per 946 mL
