**RUST-OLEUM®****RUST-OLEUM®  
CLEANER/DEGREASER & STAIN REMOVER****DESCRIPTION AND USES**

Rust-Oleum® Cleaner/Degreaser & Stain Remover is a water-based biodegradable, non-toxic cleaner designed to cut grease, oil, grime, tar and wax fast. It is colour fast, fabric safe and leaves no residue.

This concentrated commercial strength formula safely and easily removes food and drink stains, dried latex paint, paint overspray, tape residue, glue and adhesive, acid rain, bird droppings, smoke damage, tree sap, grease & oil, marker & crayon, pet stains, brake dust, fireplace soot, oxidation, lipstick, scuff marks, blood stains, sun tan oil, tar & wax, chewing gum, soap scum mildew stains, shoe polish and more.

Rust-Oleum Cleaner/Degreaser & Stain Remover (full strength) removes dirt, oil, and grease from BBQ grills and ovens, hoods and exhaust fans, tubs, sinks and showers, tools and equipment, machinery, tile and grout, whitewalls, driveways, engines, and floor wax removal.

When used as an all purpose formula (355mL of concentrate to 3.78 litres of water) Rust-Oleum Cleaner/Degreaser & Stain Remover cleans and degreases appliances, mini-blinds, canvas, chrome, silver, brass, copper, porcelain, plastic, fibreglass, linoleum, aluminium, vinyl, patio furniture, walls and baseboards, carpets, upholstery, stainless steel and wheels.

For reflective surfaces such as computer and TV screens, glass mirrors, windows, display case, crystal, lights and car finishes, add 45mL of concentrate to 4 litres of water.

Rust-Oleum Cleaner/Degreaser & Stain Remover is recommended for exterior cladding (wood, vinyl, aluminium), roofing of all types (asphalt shingles, fibreglass shingles, cedar, tile), gutters, wood fences and decks, stucco, brick and cement block, masonry, concrete driveways, walkways and walls, RV's patio furniture and boats.

**PRODUCTS**

SKU	DESCRIPTION
333650	946mL Trigger Sprayer
344611	118mL Flip Top Bottle

**PRODUCT APPLICATION****DIRECTIONS**

Always test on an inconspicuous area first. Apply directly on surface to be cleaned and allow to penetrate briefly. Wipe off with a clean cloth or towel.

**PRODUCT APPLICATION (cont.)****DIRECTIONS (cont.)**

For older, more difficult jobs, apply a generous amount of cleaner and allow to stand for a few minutes before wiping dry. For extremely tough jobs such as the removal of old, dried latex paint, scrub with a brush or scouring pad and wipe off with a wet rag. For engine cleaning, use on a cold, dry engine. Do not use on varnished surfaces or leather. Do not mix this product with any other chemicals.

**CARPET CLEANING AND STAIN REMOVAL**

Rust-Oleum Cleaner/Degreaser & Stain Remover is safe for all carpet types, including synthetic as well as stain resistant carpets. Test in an inconspicuous area first. The concentrated formula will clean six 2.5m x 4.0m carpets. Coverage may vary depending on type and condition of carpet. Vacuum the carpet thoroughly. Pre-treat any stubborn spots or stains by using the undiluted concentrate as a stain remover prior to cleaning carpet. Add concentrate to the receiving/waste tank of the machine to reduce buildup. Add 118mL of concentrate per 3.78 litres of water in the dispensing/fill tank. For heavy traffic areas or heavily soiled carpets, add 177mL of concentrate per 3.78 litres of water. Use hot (not boiling) or cold water according to the carpet manufacturer's cleaning directions. Read machine instructions carefully. Do not overfill.

**CAUTION!** In case of contact with eyes or skin, flush with water for at least 15 minutes. If irritation persists, seek medical attention. If swallowed, take large amounts of water. **Do not induce vomiting.** Get medical attention.

**KEEP OUT OF REACH OF CHILDREN.**
